

## **How to report non emergency offences to the Police.**

Many people are becoming increasingly frustrated with inconsiderate parking throughout the village. Especially at the weekends during peak times. If you are inconvenienced, or a witness to this, or other non emergency events, don't ignore it, report it.

Dial 101, press option 2 and ask for Hannah Gaskell by name or collar number. If using her collar number please state each number individually.

Hannah Gaskell (PCSO assigned to our area)

PCSO 3568 Collar number

Sherburn - In- Elmet

North Yorkshire Police

If minor incidents are repeatedly reported eventually they will become a priority and action will be taken.

The Parish Council hopes that we will see an increased Police presence and action taken. Therefore, be sure that you are not committing an offence. Please park on the road and not the pavement, which causes an obstruction to pedestrians.
